Disclaimer: *The Massachusetts Pain Initiative does not endorse any of the Pain Clinics or Centers listed below. The list is **not** a comprehensive list and does not include individual pain physician practices. Most insurance plans are accepted unless otherwise noted; however, the consumer should verify insurance coverage individually. There are currently no in-patient facilities in Massachusetts for pain management. Information listed below is accurate as of November, 2013*

Note: If you have additional or new information about a Pain Clinic or Center and would like to add it to the Pain Referral Resource Guide, please e-mail it to info@masspaininitiative.org
