Medicine

**Tufts' Pain Research,
Education and Policy Program
(PREP) Presents a New Film
Featuring Dr. M.R. Rajagopal**

Referred to as the “father of palliative care in India” by the New York Times, Dr Raj is a celebrated global health success story, considered by many of his peers as a spiritual leader of ethical medicine, a recipient of the Human Rights Watch Award for Extraordinary Activism, and a Nobel Peace Prize nominee.

Wednesday, March 14, 5-7 PM

**Tufts Medical School, 145 Harrison Avenue, Boston
De Blois Auditorium (Room 108, Sackler Building)**

Co-Sponsors:

**MASSACHUSETTS
PAIN INITIATIVE**
